John Antonuk - AL7ID

[illegible]

THANK YOU

We should give a Big Thank You to the Blood Bank of Alaska. They have let our UEC coordinator Roger Hansen use space in their facilities for License Testing for probably the past two years. We have outgrown the space and have moved to the Hope Cottage offices. One way to Thank the Blood Bank would be to donate a pint of Blood or to participate in the Bone Marrow program at the Blood Bank. -- Editor

 Field Day 27/28 Prov. Hosp.

THANK YOU --

Andy - RW3AH, our Ham friend from the USSR, will be returning home to Moscow on about the 18th of October 1991. It seems that things are rapidly changing over there. The Repeater, that the Club donated, is now to be put into Amateur Service. Soviet amateurs will be able to operate Mobile for the first time. Andy will be working for a firm in Moscow that also has offices here in Alaska.

Andy would like to Thank the AARC for all of it's help and to Thank all of the Hams involved for their kindness, generosity and support during his stay in Alaska. ! Dospedoniya (?) to all! 73

CONTESTING --

Five - Nine Magazine JAPAN INTERNATIONAL DX CONTEST

Here is a comment from one of our members Bob Sommer - NL7HT from Galena.

"I can't believe only two of us entered this contest. Where is everyone else? I heard many other Novices that day, some of whom probably could have beat me if they had entered for 10 meters. This is the third year in a row that I have taken the 10 meter award for Alaska and this year was my lowest score. The only thing I have to say is that the award sure looks better on my wall, than someone elses. Of course, that's only my opinion. 73s Bob NL7HT"

ALASKA PACIFIC UNIVERSITY

The President

October 9, 1991

Mr. Fred Toliver
130 W. Int'l. Airport Road
Anchorage, AK 99518

Dear Mr. Toliver:

We had a wonderful evening recently thanking the donors to the university. It was our annual Denali Society Dinner. One hundred and thirty donors were there.

The evening began with refreshments in the almost completed Carr Gottstein Academic Center. Tours of the building and informal conversation with the architect, the builder, and others involved in the project followed.

We know it was impossible for you to attend, but we wanted you to have this acknowledgment of our great appreciation of your support during the past year. As I said in my remarks at the dinner, philanthropists like yourselves provide two elements without which a private university cannot survive--imagination and hope.

All of my colleagues here join me in saying "thank you" and pledging our continued faithfulness to the goal of excellence in education for Alaska at Alaska Pacific University.

Sincerely,

F. Thomas Trotter

You can call or leave a fax anytime at 694-1115. If I am not busy then I will be happy to assist you. If enough people are interested we can meet on the air or in person to practice Russian for radio qso's.

Don't be afraid about incorrectly saying Russian words. The Russian radio operator will be glad to hear you even try to speak in his language hi. In many cases the russian operator will also teach you new radio phrases. It takes time to learn this stuff so don't be discouraged.

Good Luck. -KL7QR James Tudehope

GENERAL CLUBMEETING 10-4-91

The meeting was brought to order by Activities Chairperson Arlene Steward KL7HO, at 7:05 PM. Introduction and announcements were made.

John Shull and Susan Woods gave a progress report on Andy Fyodorov RW3AH. They put in a plea for more folks to come forth and house Andy for a few days while Andy stayed in Alaska. Another collection was also taken up on Andy's behalf. (NOTE: Andy was contacted by his Russian colleagues and informed that he was greatly needed back in Russia. He returned October 18.)

Ken Steward gave an interesting report on his experiences as an operator for Alascom in Provideniya. He then answered questions about both his experiences and about radio communications in Russia.

A second guest speaker was Rebecca Gibson, the daughter of Ann Gibson AL7KM. Rebecca spoke about her experiences in Magadan as an exchange student. She showed several interesting slides of both Moscow and Magadan, as well as Copenhagen, Denmark.

Raffle ~~fixes~~ prizes were awarded. Lil did her usual pigging out at the eating after the meeting (Oink!)

PS for those who may have missed her, Mary Laws was in town for her daughter Linda's wedding. Great to see you again, Mary!!

(Halfway) Respectfully Submitted,

Lil Marvin NL7DL

AARC BOARDMEETING MINUTES 10-9-91

President Fred Wegmer, KL7HFM, opened the meeting at 7:10 PM. The following members were present: KL7HFM, KL7YF, NL7DL, AL7BB, KL7FHX, NL7RA, KL7HO, NL7UH, NL7YF, KL7PZ. Also present were NL7NN and NL7DK.

The treasurer reported a balanced checking account with about \$5600.00 in the account. He also happily reports that he has his "new" computer. KL7YF will look into obtaining a computer station for the treasurer.

A suggestion was made to rewrite the by-laws to guide the treasurer in the writing of checks and making use of a petty cash fund. A small petty cash fund limit was set for the treasurer. He has also requested a printer. He would like one with a wide 15" carriage and would prefer parallel driven to serial driven.

The board discussed possible replacements for the vice president who has given a verbal resignation. The following were discussed as possible replacements: Jeff Soots, NL7YZ, and Rob Flint, KL7JHQ. Further action will be taken when the board receives a written letter of resignation from the current vice president, Dan AL7GN, who is resigning due to his workload.

KL7YF gave a report on the VHF Chairperson, Doug, KL7IKX, who is doing fine. KL7YF reports that 2 trips were made to the Rabbit Creek site, the first to put up an antenna, and the second to do some further work on the antenna system. The VHF committee will try to get up to the 94 site soon to work on redirecting an element and getting the noise out of the system.

KL7YF also reported that Charlie, KL7OA, has printed up a new batch of autopatch cards with updated info on the back.

AL7BB discussed ways of informing new hams of proper use of VHF procedures.

The meeting was dismissed at about 8:30 much to the relief of all, especially to Lil, who had to live without chocolate during the entire meeting!! However, she consoled with some Danish Butter Cookies which she brought to the meeting and shared with the other members (mostly because she was forced to by KL7YF)

Respectfully Submitted,

Lil Marvin NL7DL

It's Official — A New DXCC Country is Hatched!

The DX Century Club list will grow from 322 "countries" to 323 on Sept. 1, 1991, with the addition of the Penguin Islands. The Penguins, sitting off the coast of the west African country of Namibia, are claimed by South Africa. In June 1990, DXCC country status for this group of 13 islands was applied for.

After studying the application, the ARRL DX Advisory Committee (DXAC) on May 17, 1991, voted 9-5 with two abstentions to recommend DXCC country status for the Penguins.

This recommendation was affirmed by the ARRL Awards Committee on May 30 by a unanimous vote.

QSL cards for DXCC credit for the Penguin Islands may be submitted to Headquarters beginning Sept. 1, 1991. Cards received before that date will be returned without credit.

There have been two recent operations from the Penguin Islands, according to *QRZ DX*: German and South African operators signed DL8CM/ZS1 and ZS9AAA/1 (plus ZS9A/1 on 6 meters) in July 1990. In December 1990 ZS9Z/1 was active.
